Hammers B01.42

Scope and Contents

The Hammers collection consists of photographs taken by Harold Hammers as a member of the Army/Air Force Photographic Corps in Alaska from 1938 to 1942. The collection includes photographs of scenic images such as volcanoes, glaciers, planes, wildlife, and the towns of Anchorage, Eklutna, Fairbanks, Matanuska, Palmer, Seward, and Yakutat. There are also photographs of the Alaska Railroad and portraits of Native Alaskans and crafts. Individual subjects in the collection include the Chugach Mountains, Athabaskan school children, F-2's near Mt. Foraker & Mt. McKinley and Ninilchik and F-2's over Tiger Glacier and Cook Inlet, Ice floes at Placer Lake and Placer Glacier, Iliamna volcano, the Kenai Mountains, the Talkeetna Mountains, Tiger Glacier, and the U.S. St. Mihiel. Please see photo list for specific photograph information.
